Description and Rationale for Symposium (200 words). Please indicate the number of slots you anticipate using (6,8,14). *

Reminder: preference will be given to focussed, integrative and topical symposia that aim to provide synthesis and promote synergy.

o of 200 max words.

List of speakers, affiliations, email and tentative presentation titles *

Example Format: (1) Tigga Kingston, Texas Tech University, tigga.kingston@ttu.edu, "Why bats are cool!"

Describe your efforts to include a diversity of speakers (100 words) *

Diversity refers to race, ethnicity, nationality, career stage, research labs, perspectives on the topic etc.

Will the Symposium include elements besides traditional presentations? If yes, please describe (200 words)

All presentations slots are for 15 minutes, but you might combine two slots for a plenary keynote speaker, or use one or two slots for a discussion panel etc.

o of 200 max words.

Do you plan to associate the Symposium with a workshop? If so, explain (100 words)

This is in NOT a requirement for Symposia. Wednesday is dedicated to workshops and meetings that will be available in slots of 60, 90 and 120 minutes minutes. Workshops will require a separate proposal.

o of 100 max words.

(Optional) Describe any proposed funding mechanism to support presenters (100 words)

0 of 100 max words.
